RE: Navy Response to RIDEM 27 May 1998 Comment on  
Draft ROD for IR Sites 8 and 10  
NCBC Davisville, Rhode Island  
Submitted 28 May 1998, Dated 28 May 1998

Dear Mr. Otis;

The Rhode Island Department of Environmental Management, Office of Waste Management (RIDEM) has reviewed the above referenced document (sent via e-mail) and finds the responses to our 28 May 1998 letter acceptable. Please note, however, that with respect to the Navy response to RIDEM comment #4 the word "organic" should be changed to "inorganic". This issue has been discussed with your consultant.

RIDEM looks forward to working with the Navy and EPA on finalizing this ROD. If you have any questions or require additional information please call me at (401) 222-2797 ext. 7138.

Sincerely,

Richard Gottlieb, P.E.  
Principal Sanitary Engineer
